

## Ayaprun Elitnaurvik Student Eligibility form

- **Academic-** students must maintain a "C" average on all classroom assignments. The student must have no missing homework assignments in the previous week. All work must be completed in the previous week to be eligible.
- **Citizenship-** students must receive a "1", "2", or "3" in each class and from the Site Administrator or their designee. A student who gets a "3" in a class two weeks in a row or has more than one "3" in a week will meet with the teacher, Site Administrator, or their designee. A "4" in any class or assigned by the Site Administrator or their designee will be ineligible.
- **Attendance-** Students cannot have any unexcused absences and no more than one excused absence during that week. Students can have up to 2 tardies over 10 minutes.

Ineligible students may participate in practice but not in any competitions. Students who are ineligible for two consecutive weeks may not participate in any practice or competition until they are eligible again. Eligibility sheets will be turned in by the *end of the day Tuesday*.

The student's responsibility is to collect signatures from their teachers and turn them in to the Principal or their designee. At any time, even in the current week, the Principal may revoke eligibility for discipline, academic, or attendance reasons. Coaches may have more stringent rules and expectations for participation.
